# THE DANCE OF NATURE

At Fruitmade, we have been carefully bringing the generous gifts of nature to your table **since the 1900s**. With our deep-rooted farming tradition, each piece of fruit is lovingly cultivated and is part of a story that reflects the purity of nature. Our core philosophy is centered on offering consumers what nature provides in its purest form.

Journey begins with carefully selected, lovingly grown, and meticulously harvested fruits. We gently dry these fruits to preserve their **natural flavors, colors, and nutrients**—adding nothing artificial and taking nothing away.

We believe in the pure essence of nature. Every snack we create is a reflection of this special bond with nature. With our **gluten-free, non-GMO, and vegan-friendly** products, we offer healthy and delicious alternatives that everyone can enjoy with confidence. For us, every bite is the sweetest way to experience the generosity of nature.

Fruitmade is not just a snack; it is an expression of our commitment to nature and health. We invite you to join us on this **healthy and joyful journey**.

With Fruitmade, **every bite means tasting nature's finest gifts.**

*From nature  
with  love*

Our mission is to connect people with healthy, delicious, and nutritious snacks. By providing light, energizing, and healthy alternatives for every moment of the day, we adapt to the fast pace of modern life. We appeal to consumers who value the feeling of being close to nature and embrace a healthy lifestyle, choosing **pure** and **additive-free** snacks.

# Strawberry

Rich in vitamins and antioxidants, our strawberries offer a nutritious and tasty way to enjoy one of nature's finest fruits. We sweeten them with sugar and carefully dry them in custom ovens to preserve their vibrant flavor and nutrients. The result? A soft, juicy texture that brings the fresh fruit experience right to your taste buds. Indulge in the perfect balance of taste and nutrition with every bite.

Savor the essence of nature in a fun, flavorful way!

# SUSTAINABILITY

We are committed to **environmental responsibility** and actively work to **reduce our carbon footprint** throughout our production processes. We leverage cutting-edge technologies to **enhance energy efficiency**, **minimize water usage**, and **embrace renewable energy sources** to power our production facilities.

We prioritize sourcing our raw ingredients from sustainable farming practices, partnering with farmers dedicated to preserving natural resources and producing high-quality, eco-friendly fruits.

At Fruitmade, we care not only about delivering nutritious, delightful flavors but also about the future of our planet. Through our eco-conscious approach, we aim to **protect nature** and **help create a sustainable world for generations to come.**
